PROGRAM OVERVIEW

Prepare to Lead in Business and Beyond

LEARN FROM TOP MBA FACULTY

Material across different courses is integrated so that everything you learn in class directly supports your team capstone project and your personal career development. Dive into the world of business with courses taught by Tuck's MBA faculty, including Business Communications, Financial Accounting, Corporate Finance, Managerial Economics, Marketing, Spreadsheet Modeling, and more.

ANALYZE A BUSINESS IN A TEAM CAPSTONE PROJECT

Study group teams will select a publicly-traded company, analyze its business, and determine how much the company is worth. At the end of the program, teams present their findings to a panel of industry executives and members of the Tuck community.

EXPAND YOUR SKILLSET

Through team-based study, you'll deepen your leadership, presentation, and teamwork abilities to become better decision-makers and communicators—skills highly sought after by today's employers.

EXPLORE CAREER OPPORTUNITIES

In collaboration with Tuck MBA career advisers and program alumni, Business Bridge delivers personalized career resources designed to help you transition into a successful career. Participate in mock interviews, career chats, alumni panels, and skill-building workshops.

BUILD YOUR NETWORK

Our vibrant alumni community is eager to offer one-on-one mentorship, job and networking opportunities, and real career guidance.
