

Tuck Business Bridge

Certificate Program

A strong foundation in business for Liberal Arts and STEM majors

Offered by the Tuck School of Business at Dartmouth, the **Business Bridge Program** provides you with essential business skills by combining an intensive classroom experience at a world-class business school and the hands-on training of an internship—all designed to help you launch a rewarding career.

The Tuck Business Bridge Program delivers a comprehensive business curriculum taught by Dartmouth's MBA faculty in a 3-week intensive that includes a capstone team project, recruiting services, and one-on-one career guidance—preparing students with the skills needed to land their next job or internship, or to start strong in a new role.

PREPARE TO LEAD IN BUSINESS AND BEYOND

Learn from top MBA faculty

Material across different courses is integrated so that everything you learn in class directly supports your team capstone project and your personal career development. Dive into the world of business with courses like Business Communications, Financial Accounting, Corporate Finance, Managerial Economics, Marketing, and Spreadsheet Modeling.

Expand your skillset

Through team-based study, students will deepen their leadership, presentation, and teamwork abilities to become better decision-makers and communicators—skills highly sought out by today's employers.

Explore career opportunities

In collaboration with Tuck MBA career advisers and program alumni, Bridge delivers personalized career resources designed to help you transition into a successful career. Participate in mock interviews, coffee chats with employers and recruiters, alumni career panels, and skill-building workshops.

Build your network

Welcome to the most supportive alumni network in the world. Our vibrant alumni community is eager to offer one-on-one mentorship, share job and network opportunities, and provide counsel.
